

**BOLLARD**

**Removable**

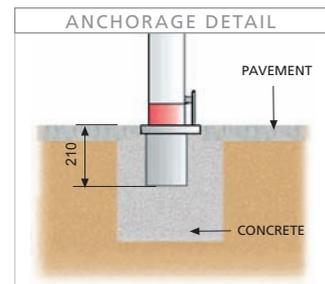

H207M

REFLECTIVE

REFERENCE	A	H	H1
H207M	70	1000	210

**CHARACTERISTICS**

**Material:** Iron. Base made of galvanised steel.

**Installation:** Embedded removable base. The soil should be permeable to make accumulations of water around the base easier to drain (drainage required).

**Finishing:** Undercoat plus finishing in red and white reflective paint.
